Education

York University - Honours Computer Science, B.S. (3.5 GPA)   Sept 2021 – Apr 2025
- *Relevant Courses: Intro. to Object Oriented Programming (A+), Discrete Math (A), Advanced Object-Oriented Programming (A), Data Structures and Algorithms (in progress)*

Side Projects

Customer Database API | *Java, Spring Boot, PostgreSQL, Postman*
- Developed a customer database using Java Spring Boot and REST architecture
- Implemented CRUD functionality using GET, POST, PUT, DELETE methods
- Utilized Postman to test endpoints and verify correct functionality
- Designed and implemented error handling for invalid user input
- Utilized a multi-layer architecture with a controller, service, and repository layer
- Stored and retrieved customer data in PostgreSQL database

Movie and TV Search Website | *JavaScript, HTML5, CSS3, Online Movie Database API*
- Retrieves JSON information using a movie database API and displays it to the user based on their search parameters
- Up to 5 top results are shown after user input
- Each result displays an image, content type, year of release, end year (if applicable), running time and up to three cast members (all retrieved from the API)

Personal Portfolio | *JavaScript, HTML5, CSS3, SCSS, FormSubmit API*
- Created a website to display my resume and side projects and to showcase my web development skills
- Website features a dark and light mode depending on the user's preference
- Used a variety of transitions and SASS styling to create a user-friendly website
- Contact form under the "Contact Me" section using FormSubmit API
- Website is fully responsive to a variety of screen sizes

Leadership and Awards

Best Entrance Award Recipient   Dec 2021
- Award value of $1000
- This is award is given to those who have demonstrated an entrepreneurial track record, shown leadership in creating a new initiative, and provided evidence of their entrepreneurial initiatives and interests

Events Director | Thaqalayn Muslim Association   Sept 2022 – Present
- Planned, organized, and executed successful events for the club, including religious and social events
- Coordinated with other club members and volunteers to ensure the smooth running of events, including managing logistics, budgeting, and communication with external stakeholders
- Collaborated effectively with a team of events directors to plan, organize, and execute successful events for the club, utilizing strong communication and teamwork skills to ensure that all members were included in the planning process
